BRING THIS REPORT WITH YOU TO
TOWN MEETING

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Chester in the County of Rockingham in said State, qualified to vote in Town Affairs:
(L. S.)

You are hereby notified to meet at Stevens Memorial Hall in said Chester on Tuesday, the twelfth day of March, next at ten of the clock in the forenoon, to act upon the following subjects: Propose to close polls at 6 o'clock; article 2, and all articles thereafter to be taken up at 8:00 p. m.

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear the reports of Agents, Auditors, Committees or Officers heretofore chosen and pass any vote relating thereto.
4. To see if the Town will vote to raise and appropriate a sum of money for the improvement of highways and pass any vote relating thereto.
5. To see if the Town will vote to raise and appropriate the sum of \$550.54 for class 5 roads, the State to contribute \$3,670.26.
6. To see if the Town will vote to raise and appropriate the sum of \$25.00, the State Forestry and Recreation Department to contribute \$25.00, to make abandoned roads and trails passable.
7. To see if the Town will vote to raise and appropriate a sum of money for maintenance of Stevens Memorial Hall.

8. To see if the Town will vote to raise and appropriate a sum of money for the care of the Town Poor and its share of the cost of Old Age Assistance.

9. To see if the Town will vote to raise and appropriate a sum of money to defray the general expenses of the Fire Department.

10. To see if the Town will vote to raise and appropriate the sum of \$1,540.08 for Street Lights.

11. To see if the Town will vote to raise and appropriate a sum of money for the care of the Town Dump.

12. To see if the Town will vote to raise and appropriate a sum of money to defray the expenses of the Chester Free Public Library.

13. To see if the Town will vote to raise and appropriate a sum of money for maintenance of Cemeteries.

14. To see if the Town will vote to raise and appropriate a sum of money for Memorial Day.

15. To see if the Town will vote to raise and appropriate a sum of money for extermination of Moths.

16. To see if the Town will vote to raise and appropriate a sum not exceeding 1/100 of one per cent of the Town's Valuation based on the 1956 assessment, to the Merrimack Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town in cooperation with the other 37 communities in this region, or act relating thereto.

17. To see if the Town will vote to raise and appropriate a sum of money for Civil Defense.

18. To see if the Town will vote to raise and appropriate a sum of money not exceeding Four Hundred Dollars (\$400.00) to help defray the expense of foundation work under the steeple of the Congregational Church which houses the Town Clock.

19. To see if the Town will authorize the Selectmen to sell property acquired by the Town, through Tax Collectors' deeds, at Public Auction.

20. To see if the Town will vote to request the State Tax Commission to make a complete reappraisal of the lands and other property within the Town to equalize valuation in accordance to law, and raise and appropriate money for the purpose.

21. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting and raise and appropriate a sum of money therefor.

22. To see what action the Town wishes to take in regard to the report of the Zoning Committee appointed by the Selectmen.

23. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

24. To see what action the Town wishes to take in naming the Streets and Roads in Chester.

25. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 14th day of February, in the year of our Lord nineteen hundred and fifty-seven.

This year the number of borrowers at Chester Library was 165—a great increase over past years.

Since the first of May the "fine" on overdue books has been increased to two cents per day.

The charging of books has been changed from name to number.

Your librarian has borrowed many books from the State Library.

We all enjoy the visits of the State Bookmobile.

We wish to thank all who have remembered Chester Library, for many have.

Mabel R. Finnigan, Librarian

Permits to install oil burners	9

New Equipment

30 feet of suction hose for small pump.

300 feet of 2½ inch fire hose.

500 feet of 1½ inch fire hose.

Victor B. Spollett, Chief

YOUR TOWN DUMP

Use It Freely

Care For It

Your town dump has been set up for your personal convenience. It provides a suitable place where you can dispose of the large amounts of dangerous, inflammable waste material and other useless items which accumulate around your household and local stores, brush, etc., cut on your property. The town dump has become a valuable and indispensable asset in modern community life.

The most successful town dumps are supervised—regular days provided for their use and inflammable material consistently burned. The town dump which receives no attention, where waste material is scattered about without supervision of any description, soon becomes a community menace and a liability rather than an asset. Chester Town Dump is open for use Saturday and Sunday afternoons only, from one to five o'clock.

Many people still burn debris around their homes. A large number of such fires get out of control causing unnecessary damage and expense to the burner. Why burn at home? Make use of your town dump and eliminate the hazard of burning. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden—the law requires it. The Warden won't refuse you if conditions are safe.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty—Use your dump freely—
Help Keep it Safe.

Number of local fires	3
Number of acres burned	1
Number of permits issued	98

Merton A. Webber, District Fire Chief

Wilbur P. Hunt, Forest Fire Warden

AUDITORS' REPORT

This is to certify that we have examined the books and accounts of the Tax Collector, Treasurer, and Town Clerk, as required by law, and find them correct and properly vouched.

We have also examined the books and accounts of the Selectmen, Road Agent, Trustees of Trust Funds, Village Cemetery Trustees, Great Hill Cemetery Trustees, Library Trustees and Trustees of the Wilcomb-Townsend Home as required by law and find them correct and properly vouched.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire
SUMMARY OF FINDINGS AND RECOMMENDATIONS

November 26, 1956

Board of Selectmen
Chester, New Hampshire
Gentlemen :

Submitted herewith is the report of an examination and audit of the accounts of the Town of Chester which was made by this Division, acting under authority of Chapter 71, Section 27, of the Revised Statutes Annotated, which provides in part as follows :

“Audit on Motion of Commisison. The commission May cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such audit. xxxx”

This audit covered the fiscal year ended December 31, 1955, and the period from January 1st to November 7th, 1956. Exhibits as hereafter listed are included as part of the report which is made up in three sections as follows :

Section I—Fiscal Year Ended December 31, 1955.

Section II—Period January 1 to November 7, 1956

Section III—Statistical Table—Ten Year Statement of Indebtedness, Valuation and Taxes

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets— December 31, 1954 December 31, 1955: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1954 and December 31, 1955, are presented in Exhibit A-1. As indicated therein, the Surplus increased by \$5,885.58 during the year 1955. Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factor which caused the change indicated therein. These were as follows:

Increase in Surplus

Net Budget Surplus	\$4,017.70
Long Term Notes Paid	2,000.00
Increase in Accounts Receivable	90.00
Elimination of Yield Tax Reserve	3,647.88
Increase in Cash in Hands of Officials	30.00
State's Share of T.R.A. Notes Issued	10,500.00
	<hr/>
	\$20,285.58

Decrease in Surplus

T.R.A. Notes Issued	\$12,000.00
Cash Surplus Used to Reduce Tax Rate	2,400.00
	<hr/>
	\$14,400.00
	<hr/>
Net Increase	\$5,885.58

Comparative Statements of Appropriations and Expenditures—
Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1955, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$553.36, plus a net unexpended balance of appropriations of \$3,464.34, resulted in a net budget surplus of \$4,017.70.

Summary of Receipts and Expenditures: (Exhibit B)

A summary of receipts and expenditures for the fiscal year ended December 31, 1955, made up in accordance with the uniform classifications of accounts, is included in Exhibit B. Proof of the Treasurer's balance as of November 7th, 1956, is indicated in Exhibit F.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the book of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

GENERAL COMMENTS

Indebtedness, Valuation and Taxes:

Table I presents a ten year statement of Indebtedness, Valuation and Taxes. It will be noted that during the period from

December 31, 1945 to December 31, 1955, the Surplus increased from \$5,652.49 to \$20,793.67.

During the same period the assessed valuation of taxable property increased by \$535,975.00 or 72%, while the amount of the annual tax levy increased from \$20,870.00 to \$57,659.94, or 176%. The local tax rate increased from \$2.80 to \$4.50 per hundred as compared to the average tax rate for the State which increased from \$3.26 to \$4.66 during this period.

Town Balance Sheet—1955 :

It is noted that the Town balance sheet of December 31, 1955, which was included in the annual financial report filed with this office and which appeared in the annual printed report, indicated a Surplus of \$22,284.46. The Surplus should have been \$20,793.67, as shown by the revised balance sheet of December 31, 1955, in Exhibit A-1 of this report.

Added Taxes :

It has been customary to substitute added poll and head taxes in the original warrants in place of taxes which should be abated.

All added taxes should be listed separately and a supplemental warrant made out authorizing their collection. When poll and head taxes are abated the regular procedure, whereby abatement orders are issued and signed by the Selectmen, should be followed.

Town Clerk :

The Town Clerk purchased dog tags, license books, etc., out of funds received from dog licenses and remits the net amount to the Treasurer. It is recommended that the total amount received from this source, less the Clerk's fees for issuing the licenses, be remitted to the Treasurer and that bills incidental to this account be paid by regular town order and check. Refunds on account of motor vehicles permits should be made in the same manner.

Road Agent :

When the Road Agent purchases gas for the Town truck, an invoice covering the purchase should be obtained from the station operator. The Town will then be entitled to a refund of the road toll on such purchases provided that within ninety days from the date of purchase the proper claim, accompanied by original invoice, is filed with the State Commissioner of Motor Vehicles. (Revised Statutes Annotated—Chapter 265 : Section 19).

Conclusion :

The accounts and records of the Town Officials which we examined were found to be in good condition and the accounting and

financial procedures, with exceptions as herein noted, conformed to prescribed methods and procedures.

The provisions of Chapter 184 of the Laws of 1955 require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the Town. The inclusion of Exhibits in the published report is optional with the Board of Selectmen.

We extend our thanks to the officials of the Town of Chester for their assistance during the course of the audit.

Yours very truly,
Harold G. Fowler, Director

Division Of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor
Hugh J. Cassidy, Accountant

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

November 26, 1956

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Chester for the fiscal year ended December 31, 1955, and the period from January 1st to November 7th, 1956, and found them to be in good order. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town as of December 31, 1955, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,
Harold G. Fowler, Director

Division of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor
Hugh J. Cassidy, Accountant

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the school district in the Town of Chester, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Stevens Memorial Hall in said district on the 16th day of March, 1957 at 8:00 o'clock in the afternoon to act upon the following:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.
6. To choose agents, auditors and committees in relation to any subject embraced in the warrant.
7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
8. To see if the district will vote to build an addition to the Chester School including new construction, any necessary alterations to the present school, new equipment and such other items necessary to complete the construction and pass any vote relating thereto.

9. If the vote on the preceeding article is in the affirmative, to see if the district will vote to raise and appropriate the sum of \$75,000.00 or any part thereof and in order to furnish such funds to authorize the school board to issue notes or bonds upon the credit of the district in accordance with Chap. 33 Revised Statutes Annotated (Municipal Finance Act) and any special acts governing the issuing of bonds or notes of the school district of Chester and further authorizing the school board to fix the time and place of payment of such notes or bonds, the rate of interest thereon and to provide for the sale thereof and pass any vote relating thereto.

10. To see if the district will authorize the school board to make application for and to receive in the name of the district such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government or any state agency.

11. If the vote on articles 8 and 9 is in the affirmative, to see if the district will vote to raise and appropriate the sum of \$4,000.00 for operational costs of an additional room and pass any vote relating thereto.

12. To transact any other business that may legally come before said meeting.

Given under our hands at said Chester this 1st day of March, 1957.

REPORT OF THE HELPING TEACHER

As the helping teacher, I have spent a majority of my time in the classrooms of the union as this is not an administrative position, but one to help meet classroom problems. There are several reasons for classroom visits and these include the following: To obtain information as a background for a discussion of problems, to acquire a better understanding of some of the problems, an opportunity to suggest a different approach in some field of work, an opportunity to coordinate the work in the schools, and an understanding of pupil problems enabling me to discuss them with pupils and parents. Other activities of the helping teacher include:

conferences (with parents, teachers, and pupils), teaching demonstration lessons, reviewing text needs, making curriculum studies, charting test results, in-service training for teachers, and aiding in the preparation of educational materials.

Teaching in an elementary school has become a very complex process. Additional burdens and responsibilities have been added gradually over a period of years. A changing civilization is bound to require a change in the demands made upon its schools and the committee for the White House Conference on Education believes that this broadening of the goals should be recognized as legitimate. Your teachers are certainly in accord with the belief that every child should have an opportunity to become a good citizen with high moral, ethical and spiritual values; trained in leisure-time activities; with a knowledge of health and safety factors; trained for a wholesome family life and having good mental health; with an understanding of the problems America faces in international relations through an education geared to the needs and abilities of the individual child.

Your teachers are striving to meet these goals through an enriched basic program, lessons and activities for health and personal development, consideration for those at each end of the ability scale, opening exercises, observances for special days and events, and introducing leisure-time activities. Valuable lessons are also taught in the hot lunch program, team games, glee clubs, school programs, and safety patrols for the entire day has to be considered for teaching opportunities.

The teachers in our supervisory union realize the responsibilities placed upon the schools and they have felt the need of additional training to help them meet these responsibilities which have increased for the schools while decreasing in many homes. The sixty-nine teachers in this union will have earned approximately 150 credits in the one-year period ending this summer. (Each credit equals the satisfactory completion of fifteen hours of classroom instruction, outside readings, and project work under a qualified college instructor.)

In view of the additional aims for our educational system, we must now evaluate our program and consider some of the following problems:

1. The amount of time to be given in each subject area.
2. The value of time-consuming activities of teachers in non-teaching school activities.
3. The consideration to be given at each extreme in the wide range of abilities within the class. In keeping with a general

trend throughout the nation, the spring institute for the teachers in this section of the state will be concerned with the evaluating of elementary and secondary schools and it is hoped that we may make a self-evaluation of all phases of our school program during the next year.

Respectfully submitted,
E. Russell Raymond

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Chester School Board:

I herewith submit my fifteenth annual report as superintendent of schools in Chester.

STATISTICAL REPORT

Enrollment

The total enrollment for grades one through eight for the period ending January 15th, 1957 was 175 as compared to 179 for the same date last year and 176 two years ago.

The membership by school and grades as of January 15th, 1957 follows:

School	Grade								Total
	1	2	3	4	5	6	7	8	
Chester	20	27	17	25	28	11	15	25	168

The number of Chester pupils who were in high school on January 15th, 1957 was:

School	Grade				Total
	9	10	11	12	
Hood	20				20
Pinkerton Academy		7	7	4	18
Manchester Central				1	1
Manchester West			1		1
Raymond High	5	2	3	2	12
Lowell Vocational				1	1
Totals	25	9	11	8	53

Statistics For the School Year Ending June 30, 1956

Total registration	187
Half days schools were in session	354
Average membership	173.9
Average attendance	163.4
Per cent of attendance	94.0
Pupils transported at district Exp.	109

On Tuesday, June 19, 1956 the following boys and girls who had completed the prescribed elementary program of studies were presented diplomas :

Shirley Healey	Ernest Nichols
Robert Hume	Robert Nicoll
Edward Johnson	Laurence Olivier
Michael Johnson	Douglas Raybeck
Joanne Karpinski	Gale Seabury
Agnes LaBonte	Norman Simano
Steven Lewis	Richard Stapleford
Charles Melvin	David Swift
Kenneth Menard	Sharon Tenney
Yvette Morrisette	Richard Wood

The enrollment continues at approximately the same level. As of January 15 there were 168 in actual attendance as opposed to 171 the two preceding years. The same situation obtains as obtained last year. There are more children in grades 1-4 than in grades 5-8. In two more years, after the current 6 and 7 grades have been graduated, the enrollment should show an increase of 20 or more pupils.

In connection with the enrollment the Kiplinger News Letter of December 22nd, 1956 points out dramatically the effects of population growth on the schools. It is significant that the births in 1956 reached an all time high. There were 4,200,000 (in round figures) births recorded last year in the nation. The number of births has increased almost every year since 1933. As a result nationally, the figures show an increase of 30% by 1965 in elementary enrollment. The secondary enrollment will be 50% greater. To provide classroom space and teachers for these classrooms is a critical problem.

Locally the committee appointed two years ago and continued last year is submitting a program which would meet the problems. The report of the committee should be considered wisely and well.

The enrollment this year at local level resulted in a change involving the use of the teachers room as a class room and the hiring of an additional teacher. The necessity of hiring an additional teacher in addition to replacing Mrs. Thorell brought attention dramatically to the teacher shortage.

Personnel

The loss of only one teacher made it appear that our personnel problems would not be serious. Mrs. Thorell felt that she could

not do justice to her home and teaching and did not return after the Christmas vacation. It was several weeks before a permanent replacement could be found. The fact that four of the regular teachers returned was helpful. When crowded conditions necessitated adding an additional teacher the district was fortunately able to engage the services of Mrs. Linda Stacy a primary teacher of experience. Mrs. Lois Brockway, an art teacher of 3 years experience was available to fill Mrs. Thorell's position.

There were no changes in supervisory union personnel. The special services were continued. Handwriting under the direction of the Rinehart Functional Handwriting System continues to produce neater and more legible papers. This is a service that will pay life long dividends. Music under the direction of Mrs. Kelley provides an opportunity for boys and girls to develop a worthwhile leisure time activity. Mrs. Sives capably directs our health program. The examinations are in the nature of a preventive measure. They are intended to provide a check so that there will be no opportunity for any physical defect to progress too far. The program of vaccination with Salk vaccine was a joint program with the public health nurse and the State Board of Health. If present plans are consummated, the third and final shot will be administered before the close of school. This program alone, makes the health program very much worthwhile. Mr. Raymond continued to serve as the helping teacher and his efforts aid in the development of our educational program. His special province is, as his title, helping teacher implies, to aid teachers in promoting the educational progress of youngsters.

Since these services were uninterrupted, the program, despite the teacher situation, was not disrupted as much as it could have been. Continuity in the staff makes it possible for pupils to make better progress educationally.

One of the most critical problems facing education is that of providing staff. "How can we get enough good teachers and keep them?" was one of the areas selected by the White House Conference as worthy of special consideration. There reports make some twenty recommendations. Several of them are not applicable to a local situation since they pertain to colleges and certification requirements. The recommendations that can be met at local level are concerned with salaries, working conditions and administrative policies. The salary recommendations are concerned primarily with two phases.

1. An adequate beginning salary.
2. Increased range from beginning to ultimate salary.

Working conditions are seemingly more important than salary since there are 5 or more recommendations here. The recommendations without being specific are concerned with work load and measures of easing that load. Increased number of class rooms so as to permit decreasing class size, limiting extra curricula load, providing labor saving materials and equipment, and assignments consonant with preparation and interest are all attainable at local level. Administratively the recommendations are concerned with providing opportunities for improvement and advancement.

The profession too, has responsibilities that will tend to improve the status of the teacher. These responsibilities involve relationships tending to upgrade the profession. With teachers, administrators, and the community striving to improve the economics, social and professional status of teachers, the problem of teacher supply will be on the way to solution.

Curriculum

The same White House report lists the goals of modern education. Incidentally, the members of this conference were lay people, not so called professional educators. In contrast to the 3's of an earlier day this conference accept as desirable 15 basic goals for education. In addition to the desirable goals of 20 years ago the White House Conference felt that we should have programs designed to foster international understanding, mental health, recreational and social activities, and safety. A specific example of the first of this program is our program on the Western Hemisphere in social studies. We now study more intensively and extensively our northern and southern neighbors. The economic well being of this country is inextricably tied to the life of Canada and our southern neighbors. Communication and transportation have made it important that the physical health of neighboring countries be improved from a selfish point of view.

The civilization of which we are a part has made it vital for us to learn the lessons of safety. The corporations have and are willing to spend thousands of dollars in the interest of safety. If we in school can promote safety and mental health, we will make a valued contribution to society. With the expansion of the number of courses and the intensity of the program offered the need for professional teachers is increasingly apparent. In an effort to provide for the highly skilled and thoroughly informed teacher we try to bring extension courses to the teachers of the union. Such a course will be offered in the summer. These courses require considerable planning to meet the needs of staff. This summer a

week's workshop in music, science, social studies, map, map reading and globes, arithmetic and language arts is being planned. These areas will be presented by specialists and offer an opportunity for teachers to improve their knowledge and techniques.

Finances

The budget shows an increase of \$5,893.53. Income (anticipated) also increased by \$2,515.61. This results in an increase of \$3,377.92 in tax levy. Since this budget is based on an additional teacher nearly the whole increase can be attributed to an additional teacher.

The educational program in Chester is the result of the cooperative efforts of all concerned. Townspeople, parents, pupils and teachers are all concerned with providing the best educational opportunity possible. It is pleasant to help plan a program in such an atmosphere.

Respectfully submitted,

Everton H. Parkinson

Superintendent of Schools

REPORT OF THE BUILDING COMMITTEE

The Building Committee would like to preface its remarks by thanking Mr. Paul Farnham, State Administrator of School Buildings, Member of the State School Board, State Department of Education and also Mr. William P. Brander of this Town, who have been very helpful to the Committee by offering plans and suggestions.

We made a careful study of the existing plant and found that there was lack of classroom space, inadequate kitchen and lunch-room facilities. To graphically illustrate this we refer you to the chart which shows the area of the present building, the area which is needed for the present school population plus the anticipated requirement for the immediate future.

We also found the heating system was not satisfactory and that the drainage in front of the School should be revamped and a dry well installed so that the driveway would be properly drained.

Mr. Parkinson and Mr. Farnham submitted a number of helpful suggestions together with several plans, which we carefully considered. We then decided that it would be wise to consult an architect and Mr. Parkinson arranged for us to meet with Mr. Irving W. Hersey of Durham who was asked to submit plans. It was decided that the plan which we recommend has a number

of advantages, it would eliminate the necessity of installing additional drainage for toilets and would provide for future classroom additions at some future date. This plan utilizes the present gang toilets entrance and exit facilities and allows for a larger kitchen and storeroom.

A new heating system would be installed to take care of present building and the proposed addition to the building, a hot water zone controlled system is recommended. Your Committee feels that the plan suggested will give us a plant of sufficient capacity to take care of our requirements for the immediate future.

We wish to thank Mr. Parkinson and all members of the School Board for their helpful co-operation.

William M. Hardy
